

# *Quilting Corners Guild*

## **Christmas in July 2019 Presentations**

Presentation display is ready to go for our annual Christmas in July presentations to MSP & MH. We have added QoV to our outreach program for the first time.

Pam, from My Sister's Place, receives 47 Quilts of Comfort ranging in size from baby to bed.

Kim, from Matthews House Hospice, receives 5 Quilts of Comfort for the daybeds. Also, presented was a quilted wall hanging and wooden display rack to add to the 'homey' feel.

Elizabeth, from Quilts of Valour – Canada, receives 5 Quilts of Comfort created by members of the guild. These quilts will then provide comfort to our injured Canadian Armed Forces members past and present.
