

QCG BOM 2021/22

September – Fillers

**HSTs – 3 ½” (Unfinished)**

We have to piece 13 HSTs to create filler strips in your quilt.

8 HSTs will be dark/background

5 HSTs will be colour 6/background

This colour scheme is based on the fabric requirements chart for the monochromatic ribbon border quilt.

Cut all your squares 3 7/8” (if you want a little extra wiggle room for trimming, cut the squares 4”)

Background - 7 squares

Dark - 4 squares

Medium - 3 squares (Colour 6)

Create your units by layering all your dark and medium squares right sides together with a background square. Draw a line corner to corner on the diagonal of your background square and stitch a quarter inch on either side of the line. Cut your sewn squares on the line. Press your HSTs to the darker fabric.

You should have 8 dark/background units and 6 medium/background units. You will only need 5 of the medium ones.

**Trim completed HST units to 3 ½” square** and set aside. Putting them in a labelled baggy works well. We will be creating strips from these units later in our project.

## SASHING STRIPS

Cut 3 strips of background fabric – **3 ½" x WOF**

Subcut into the following lengths and set aside (labelled baggy)

3	x	3 ½"
1	x	6 ½"
2	x	9 ½"
2	x	12 ½"
2	x	15 ½"

**\*\* To conserve fabric cut as follows:**

From #1 strip cut – 1 x 15.5 and 2 x 12.5

From #2 strip cut – 1 x 15.5, 2 x 9.5 and 1 x 6.5

From #3 strip cut – 3 x 3.5

The long strip you have left will be used in the inner border.

Happy cutting and sewing!
